Specific Use:

Floor-deck

Application Method:

Roller

Features Provided:

Chemical resistant

Rated Drying Time:

6.000 hours

Product Name:

Epoxy 400

Special Features:

Chemical composition, modified bisphenol a epoxy resin crosslinked with aliphatic and cycloaliphatic polyamides

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09700
