Aircraft surfaces

**Application Method:** 

Spraying as is

Content Within Each Unit Package:

Six 6 oz aerosol cans

## Features Provided:

Aerosol can

## **Gloss Designation:**

Flat

# **Rated Drying Time:**

4.000 hours

**Color Chip Number:** 

36176

## Volatile Organic Compound In Grams Per Liter:

420.0

Color:

Gray

Shelf Life:

N/a

Unit Of Measure:

--

## Demilitarization:

No

#### Fiig:

A09700
