Volatile Organic Compound In Grams Per Liter:

503.000

Special Features:

Moisture cure urethane coating; low gass immission; chemical resistent; astm d1475-85; astm d 2369-87; astm d3690-87

Color:

White

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09700
