Coloring Method:
Pigmented
Basic Formulation Type:
Polyurethane
Product Name:
Defthane extended life topcoa (elt)
pecial Features:
Component 1, pigmented resin base-color boeing precursor. Flashpoint-76 degrees (24.4c). Shelf life-1 year, storage temp-ambient (35f-115f)
Mix ratio: 3.03 to 1 by volume, 2.98 to 1 by weight.
Shelf Life:
I/a
Init Of Measure:
•
Demilitarization:
lo
iig:
.09700
