Coloring Method:

Pigmented

Basic Formulation Type:

Polyurethane

Product Name:

Defthane extended life topcoa (elt)

Special Features:

Component 2 isocyanate reactant, color-boeing precursor. Flashpoint-102 degrees (38.9c). Shelf life-1 year, storage temp-ambient (35f-115f)

. Use with component 1 nsn 8010-01-643-8488.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09700
