Specific Use:

Aluminum

Product Name:

High temperature urethane primer

Special Features:

Contains: 825-009 base component 4 parts, 910-175 activator component 1 part, and 020-044 thinner component 4 parts; cage 83574 is oem

Color:

Green

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09700
