Physical Form:

Liquid

Quantity Within Each Unit Package:

1.000 gallons

Specific Usage Design:

For protecting fragile porous insulation materials such as polyurethane foam, glass wool and cork

Special Features:

Abrasion and chemical resistant

Color:

Off-white

Material:

Resin synthetic

Supplementary Features:

1 gallon can

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536d0
