Physical Form:

Liquid

Quantity Within Each Unit Package:

1.000 gallons

Specific Usage Design:

For general purpose industrial sealing applications, for use on aluminum, steel, glass, many plastics and other surfaces

Rated Drying Time:

Between 5.000 minutes and 10.000 minutes

Special Features:

Buna-n rubber

Color:

Brown, red

Material:

Rubber synthetic

Supplementary Features:

1 gallon can

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A536d0
