**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

1.000 gallons

**Specific Usage Design:**

For general purpose industrial sealing applications, for use on aluminum, steel, glass, many plastics and other surfaces

**Rated Drying Time:**

Between 5.000 minutes and 10.000 minutes

**Special Features:**

Buna-n rubber

**Color:**

Brown, red

**Material:**

Rubber synthetic

**Supplementary Features:**

1 gallon can

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A536d0
