Physical Form:

Liquid

Quantity Within Each Unit Package:

5.000 gallons

Specific Usage Design:

For protecting exterior of self-sealing fuel cells

Rated Drying Time:

15.000 minutes

Special Features:

Buna-n rubber

Color:

Black

Material:

Rubber synthetic and plastic polyvinyl chloride

Supplementary Features:

5 gallon can

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A536d0
