## NSN 8030-00-245-7032

Sealing Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-00-245-7032

Physical Form:
Solid
Quantity Within Each Unit Package:
1.000 gallons
Specific Usage Design:
For sealing threads of artillery shell fuzes
Special Features:
Iron oxide
Supplementary Features:
1 gallon can
Specification Or Standard:
A type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
