Physical Form:
Liquid
Quantity Within Each Unit Package:
1 qt can base compound and 1 jar or plastic container of required amount of catalyst
Rated Working Time:
2 hr
Features Provided:
Separate catalyst
Rated Drying Time:
24.000 hours
Color:
Black
Material:
Resin synthetic
Specification Or Standard:
A-2 class
Departure From Cited Document:
As modified by color
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
