Sealing Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-009-8859

Physical Form:
Liquid
Quantity Within Each Unit Package:
1.000 gallons
Specific Usage Design:
For sealing thermal spray coatings to impart greater chemical resistance
Color:
Colorless
Material:
Plastic phenolic
Supplementary Features:
1 gallon can
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
