Physical Form:

Liquid

Quantity Within Each Unit Package:

10.000 pounds

Specific Usage Design:

For molding cast rubber parts

Features Provided:

Separate catalyst

Special Features:

2 to 4 hour working time

Color:

Black

Material:

Plastic urethane

Supplementary Features:

10 pound kit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A536d0
