Physical Form:
Tape
Quantity Within Each Unit Package:
20.000 feet
Specific Usage Design:
For bonding to metals, wood, glass and plastics
Special Features:
1/4 in. Tape width; non-hardening; accommodates extensive movement; polyisobutylene
Color:
Black
Material:
Rubber synthetic
Supplementary Features:
20 foot roll
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
