## **Physical Form:**

Таре

**Quantity Within Each Unit Package:** 

20.000 feet

## Specific Usage Design:

For bonding to metals, wood, glass and plastics

## **Special Features:**

1/4 in. Tape width; non-hardening; accommodates extensive movement; polyisobutylene

Color:

Black

Material:

Rubber synthetic

Supplementary Features:

20 foot roll

Shelf Life:

N/a

Unit Of Measure:

--Demilitarization:

No

Fiig:

A536d0
