Sealing Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-132-9624

Physical Form:
Liquid
Quantity Within Each Unit Package:
10.000 milliliters
Specific Usage Design:
Thread locking compound
Special Features:
Medium strength; oil resistant; removable; anaerobic cure; for bolts up to 3/4 in. With light oil contamination
Color:
Blue
Material:
Plastic acrylic
Supplementary Features:
10 milliliter plastic squeeze bottle
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A536d0
