**Specific Usage Design:**

For repairing horizontal concrete areas such as bridges, roadways, airport runways, etc.

**Special Features:**

Magnesium phosphate; low shrinkage; ready for traffic in less than 1 hour; capable of hardening at minus 20 degrees c

**Color:**

Gray

**Supplementary Features:**

50 pound bag

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536d0
