Physical Form:

Liquid

Quantity Within Each Unit Package:

1.000 pounds

Specific Usage Design:

Thread locking compound

Special Features:

Low viscosity; low strength; humidity cure; for use on metal and plastic fasteners; ethyl cyanoacrylate

Color:

Blue

Supplementary Features:

1 pound bottle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536d0
