**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

1.000 pounds

**Specific Usage Design:**

Thread locking compound

**Special Features:**

Low viscosity; low strength; humidity cure; for use on metal and plastic fasteners; ethyl cyanoacrylate

**Color:**

Blue

**Supplementary Features:**

1 pound bottle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536d0
