## NSN 8030-01-296-3856

Sealing Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-296-3856

Physical Form:
Liquid
Quantity Within Each Unit Package:
1.000 pounds
Specific Usage Design:
Thread locking compound
Special Features:
Low viscosity; low strength; humidity cure; for use on metal and plastic fasteners; ethyl cyanoacrylate
Color:
Blue
Supplementary Features:
1 pound bottle
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
