Corrosion Preventive Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-369-3186

Application Type:
Cold
Usage Design:
For protection against corrosive action of etchant solutions used in chem-mill process
Special Features:
Plastic; light beige; liquid; hand strippable; 4 hour dry time at room temperature
Supplementary Features:
55 gallon drum
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A535w0
