Physical Form:
Liquid
Quantity Within Each Unit Package:
10.000 gallons
Specific Usage Design:
For repairing concrete
Features Provided:
Separate catalyst
Rated Drying Time:
10.000 minutes
Special Features:
Not for use during rain or on wet surfaces; does not contain toluene diisocyanate
Color:
Gray
Material:
Plastic polyurethane
Supplementary Features:
10 gallon kit
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
