Physical Form:

Liquid

Quantity Within Each Unit Package:

20.000 grams

Specific Usage Design:

Thread locking compound

Rated Drying Time:

24.000 hours

Special Features:

Low viscosity; low strength; humidity cure; for use on metal and plastic fasteners; ethyl cyanoacrylate

Color:

Blue

Supplementary Features:

20 gram bottle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536d0
