Sealing Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-434-5702

Physical Form:
Paste
Specific Usage Design:
For general purpose electrical sealing applications
Rated Drying Time:
48.000 hours
Special Features:
Non-corrosive; non-flowing
Color:
White
Material:
Silicone
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
