**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

250.000 milliliters

**Specific Usage Design:**

Thread locking compound

**Special Features:**

Medium strength; oil resistant; removable; anaerobic cure; for bolts up to 3/4 in. With light oil contamination

**Color:**

Blue

**Material:**

Plastic acrylic

**Supplementary Features:**

250 milliliter plastic squeeze bottle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536d0
