Physical Form:
Liquid
Quantity Within Each Unit Package:
1.000 pints
Specific Usage Design:
For sealing pipe threads
Special Features:
Non-hardening; with polytetrafluoroethylene; for use on plastic or metal pipes
Color:
White
Material:
Resin
Supplementary Features:
1 pint can with brush top
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
