Physical Form:
Tape
Quantity Within Each Unit Package:
12.000 feet
Specific Usage Design:
For sealing electronic assemblies against moisture
Special Features:
1-1/2 in. Tape width
Color:
Gray and white
Material:
Plastic polyurethane
Supplementary Features:
12 foot roll
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
