Sealing Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-511-0063

Physical Form:
Liquid
Quantity Within Each Unit Package:
10.000 milliliters
Specific Usage Design:
Thread locking compound
Special Features:
Medium viscosity; high strength; anaerobic cure
Color:
Red
Material:
Plastic acrylic
Supplementary Features:
10 milliliter bottle
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A536d0
