**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

2.250 kilograms

**Specific Usage Design:**

For protecting equipment against chemical attack, corrosion and erosion

**Features Provided:**

Separate catalyst

**Special Features:**

Non-shrinking; 100 pct solids

**Color:**

Gray

**Material:**

Plastic epoxy

**Supplementary Features:**

2.25 kilogram kit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
