Corrosion Preventive Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8030-01-521-2585

Application Type:
••
Cold
Quantity Within Each Unit Package:
1.000 quarts
Usage Design:
For protecting metal surfaces against galvanic corrosion
Special Features:
Aluminum resin; gray; liquid; does not contain chromates
Supplementary Features:
1 quart can
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
