# NSN 8030-01-599-9350

Sealing Compound - Page 1 of 1

### **Physical Form:**

Liquid

## **Quantity Within Each Unit Package:**

50.000 milliliters

# Specific Usage Design:

Thread locking compound

## **Special Features:**

High strength; low viscosity; anaerobic cure

## Color:

Red

# Material:

Plastic acrylic

#### **Supplementary Features:**

50 milliliter bottle

### Shelf Life:

N/a

#### Unit Of Measure:

--

#### **Demilitarization:**

No

# Fiig:

A536d0
