Environmental Protection:

Acid fume

Model Number:

Bonderite m-cr 1201

Specification Handling Feature:

Corrosive

Product Name:

Aero chromate coating

Special Features:

Lock up when storing; non-flammable hazard may cause cancer; may cause allergies to skin avoid breathing vapors; wear protecting gloves and clothing; chromic acid base; liquid state; application method: spray, brush, immersion

Color:

Tan

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
