Physical Form:

Liquid

Quantity Within Each Unit Package:

1.000 gallons

Specific Usage Design:

For anti-tampering bonding applications such as over screw heads and fasteners

Special Features:

Fungus resistant

Color:

Blue

Material:

Plastic

Supplementary Features:

1 gallon can

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535p0
