**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

1 quart resin and 1 quart activator

**Specific Usage Design:**

Electronic applications

**Features Provided:**

Separate catalyst

**Special Features:**

Drying time varies w/mix ratio and temperature; mix ratios can be varied to obtain desired results

**Color:**

Brown and gray

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535p0
