**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

1.000 gallons

**Specific Usage Design:**

For cementing dissimilar metals

**Features Provided:**

Separate catalyst

**Color:**

Brown

**Material:**

Plastic epoxy

**Reference Number Differentiating Characteristics:**

As differentiated by packaging quantity

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535p0
