Physical Form:

Liquid

Quantity Within Each Unit Package:

1.000 gallons

Specific Usage Design:

Contact adhesive for bonding various rubber and rigid plastic surfaces; not for flexible pvc

Special Features:

Fast tacking

Color:

Amber

Material:

Rubber neoprene

Supplementary Features:

1 gallon can

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535p0
