Physical Form:
Liquid
Quantity Within Each Unit Package:
20.000 grams
Specific Usage Design:
For wire tacking and electronic component mounting applications
Special Features:
Ethyl cyanoacrylate; medium viscosity; includes 1.2 ounce bottle of aerosol accelerator
Color:
Clear
Material:
Plastic
Supplementary Features:
20 gram kit
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A535p0
