**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

5.000 gallons

**Specific Usage Design:**

For bonding and reinforcing crushed honeycomb core

**Special Features:**

Elevated temperature cure; store at 40 degrees f or below

**Color:**

Green

**Material:**

Resin elastomer

**Supplementary Features:**

5 gallon can

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535p0
