Physical Form:

Liquid

Usage Design:

For promoting adhesion of 3m scotch-weld epoxy based structural film adhesives

Special Features:

Corrosion inhibiting; brushable or sprayable; store at 40 degrees f or below

Color:

Green

Material:

Resin synthetic

Supplementary Features:

Four 1 gallon cans

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535p0
