End Application:

Pacer special

Physical Form:

Film

Special Features:

Store away from heat, avoid vapors and dust while working, use in well ventilated area, trace amounts of bromine when heated, whmis: hazardous, shelf life 12 months from date of shipment

Color:

Clear

Material:

Resin epoxy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535p0
