Physical Form:

Liquid

Quantity Within Each Unit Package:

165.000 grams

Usage Design:

For promoting adhesion of belzona 2311 and preventing product from dry rotting over long periods of time

Color:

Amber

Material:

Plastic polyurethane

Supplementary Features:

165 gram can

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535p0
