**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

165.000 grams

**Usage Design:**

For promoting adhesion of belzona 2311 and preventing product from dry rotting over long periods of time

**Color:**

Amber

**Material:**

Plastic polyurethane

**Supplementary Features:**

165 gram can

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535p0
