Physical Form:
Paste
Specific Usage Design:
For bonding thermoplastics and metals
Features Provided:
Separate catalyst
Special Features:
Self-extinguishing; for use on vertical and overhead surfaces; store in warm dry place
Color:
Tan
Material:
Plastic polyurethane
Supplementary Features:
Three 1 quart kits
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A535p0
