**Physical Form:**

Liquid

**Quantity Within Each Unit Package:**

1.000 pints

**Specific Usage Design:**

Nonelectrical and on anything where stress on the adhesive is not appreciable

**Curing Method:**

Air dried

**Material:**

Rubber butadiene-acrylonitrile class nbr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535p0
