End Application:

Eurofighter 2000

Physical Form:

Liquid

Curing Method:

Air dried

Minimum Flash Point:

55.0 degrees fahrenheit

Rated Drying Time:

15.000 minutes

Special Features:

Promotes adhesion of certain one part silicone sealants and coating to a variety of construction materials

Color:

Clear and red

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535p0
