Physical Form:
Liquid and paste
Quantity Within Each Unit Package:
300.0 milliliters
Specific Usage Design:
Gasketing
Special Features:
Packeaged 10 per case; cure type is humidity; rohs compliant; -75 to 625 f operating temp; low odor, non-corrosive; fills 0.25 inch gap
Color:
Black
Material:
Silicone and resin silicone
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A535p0
