Physical Form:

Liquid

Quantity Within Each Unit Package:

0.5 liters

Specific Usage Design:

For bonding pvc pipe and fittings up to 30.0 inch diam.

Curing Method:

Air dried

Product Name:

Weld-on low voc pvc extra heavy bodied cements

Color:

Gray or white

Material:

Plastic polyvinyl chloride

Specification Data:

81346-astm d 2564 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A535p0
