**Physical Form:**

Paste

**Specific Usage Design:**

Electrical industry & electronics

**Curing Method:**

Air dried or heat

**Product Name:**

Adhesive, silicone

**Color:**

Gray

**Material:**

Silicone

**Material Specification:**

46146 military specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A535p0

**Mil-std (military Standard):**

spec.
