Physical Form:

Paste

Specific Usage Design:

Electrical industry & electronics

Curing Method:

Air dried or heat

Product Name:

Adhesive, silicone

Color:

Gray

Material:

Silicone

Material Specification:

46146 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535p0

Mil-std (military Standard):

spec.
